

Focus Blueprint

Micro Freebie

Use the top two boxes daily + weekly. Use the bottom two when you feel scattered.

Daily Focus (10 min)

Decide one outcome, then execute.

Today's outcome (1): _____

Top 3 actions: _____

Time block (start-end): _____

Shutdown checklist (2 min)

- ☐ Capture loose tasks
- ☐ Plan tomorrow
- ☐ Close loops

Weekly Reset (20 min)

Review last week. Design the next.

Wins (3): _____

Lessons: _____

Next week Big 3: _____

Habit focus (1)

This week I will: _____

Priority Filter

Stop doing the wrong work.

Before you do anything, ask:

- 1) Does this move my outcome?
- 2) Is this the highest-leverage use of my time?
- 3) What can I delete, delegate, or delay?

If not, don't do it.

If-Then Plan

Pre-commit for predictable problems.

Common blockers → pre-decide responses

IF I feel overwhelmed, _____

IF I get distracted, _____

IF I skip a day, _____
